PROJECT EXPERIENCE

Construction Estimator

- Created REST endpoint for the back-end to perform CRUD operations on project data.
- Put more here once we get more completed

WORK EXPERIENCE

Deli Clerk — Schnuck Markets, St. Louis

March 2017 - Present

- Engaged in upwards of 50 customer service interactions daily.
- Prepared hot foods for service and self service cases.
- Trained new hires in all department tasks including cleaning, customer service, and production.
- Verified and checked-in shipments several days a week.
- Coordinated other teammates through large quantities of customer orders during holidays.
- Catered lunch and dinner for officials working the PGA Championship at Bellerive Country Club in August 2018.

EDUCATION

LaunchCode, LC101 Programming Course — Fall 2019

This is your **brief** headline statement. I.E. — I care about solving problems that inhibit people from understanding one another. By attaining a better understanding of those problems, I strive to implement solutions that connect us.

LANGUAGES		FRAMEWORKS		DATABASES	TOOLS
• C++	• Java	• Spring	• Bootstrap	• MySQL	• Postman
• JavaScript	• HTML5/CSS3	• Angular			• Tool 2

PROJECT EXPERIENCE

Example Project Name — Construction Estimator
- Designed back-end REST controllers to send and receive .json data
- Flush this out more when more of the project is complete

WORK EXPERIENCE
